

The Kiwanis Club of Charlottesville is pleased to report the very successful completion of the 25th Annual Independence Day 5K Run at Forest Lakes North. Kiwanis has been very active in the Charlottesville area for over 84 years with special emphasis on youngchildren. Net proceeds of over \$6,000 will go directly to Camp Holiday Trails, a camp for children with special health needs.

This race, which attracted 242 runners, was won by Taylor Robertson with a time of 16:44. Leigh Baumgart was the top female finisher with a time of 20:58. Participants ranged in age from 5 to 82.

The **Charlottesville Track Club** outdid themselves with a very professional race with results tabulated and printed within minutes of the finish. Congratulations, Carol Finch and Jay Wildermann! Mark Lorenzoni from Ragged Mountain Running Shop has given his time and support to this race for 20 years. Thanks, Mark!
