

# Thank You

The Kiwanis Club of Charlottesville is pleased to report the very successful completion of its 26th Annual Independence Day 5K run at Forest Lakes North. Thanks to the Forest Lakes Community Association for their support over many years.

Kiwanis has been very active in the Charlottesville area for over 84 years with special emphasis on young children. Net proceeds of over \$7,000 will go directly to Camp Holiday Trails, a camp for children with special health needs.

This race, which attracted 339 runners, was won by Alec Lorenzoni with a time of 15:51. Lauretta Dezubay was the top female finisher at 17:38. Participants ranged in age from 5 to 83!

The Charlottesville Track Club produced a very professional race with results tabulated and printed within minutes of the finish. Congratulations, Carol Finch and Jay Wilderman! Mark Lorenzoni from Ragged Mountain Running Shop has given his time and support to this race for over 20 years. Thanks, Mark!

**Our sincerest appreciation goes to Better Living, Inc., the major race sponsor and to the following sponsors and donors, in alphabetical order:**
